

My home City: Barcelona.

Years living in SG: 4 years

What I learned living in SG: online shopping

My family: Wife and 12 year old boy

Our bonding activity: Exploring Asian cuisine, cycling to Eastcoast, skateboarding, hanging out in the pool

Current Role: Practice Director South East Asia,, Kyriba SG, 4 years

Previous Role: Head of Business Unit EMEA, Hardware Group, UK 2014 - 2018

What I love about my work: Digging clients' hearts and minds and finding that intersection where my solutions can add value to how they can improve and solve a problem, perform their best or simply delight their desires.

Achievements I'm Proud of:

- Built and developed SEA Professional Services for Kyriba, 38 peoples (2018 - 2022)
- Built from scratch a software company in France from 0 to 20M (2007 - 2014)
- Third in class, MBA Sorbonne University (2009 - 2010) and delivered the ceremony speech

My career badges:

- Three of my projects in Kyriba won the coveted Adam Smith Award which was globally recognized and used as benchmark for best practice
- Rising star of the year 2016 – Hardware Group

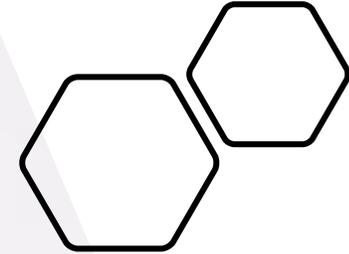

What I bring to the table: 25 years of experience in software industry locally and globally, strategic thinking, vision and roadmap

You can count on me: Crisis management, collaborative, transparent, proactive, consumer-centric, fact-based decision-making, speed to execute

On leadership: Hear & understand, set & share vision, empower & execute and stay humble

Sources of Inspiration:

- Family Business – Best school ever
- Setting Personal Goals – Daily practice of self discipline
- Work – Learning, contributing and achieving something that adds value to the organization and to customers
